HOLY HABITS FOR THE NEW YEAR

Above all, clothe yourselves with love, which binds everything together in perfect harmony.
(Colossians 3:14)

Dear Friends:

The Year of Our Lord, Two Thousand and Twenty-two stretches before us fresh and new. As I write these few lines, we are already into two weeks of this new calendar year, casting much anticipation in hopes and expectations of a pre-pandemic near normal life. With the year that we have just had, it is hard to get back to life as usual. The necessary precautions we have taken to stay healthy have to be in place for our foreseeable future. There is a lingering fear among the elderly and those who are compromised, which shouldn't be discounted. Although pain and suffering are as much a part of life as sunrise and sunset, the mere mention of these two words causes us to bristle and feel uneasy at best. But suffice it to know that the God who calls us into the unknown also travels with us.

So then, what challenges will the new year hold? What opportunities will it bring? What new experiences await us? What new possibilities yet to unfold in the medical world? Whatever the answers to such questions prove to be, one thing is sure ~ they do not lie in the past. By God's grace we will discover them as we live them, one day at a time.

Pretty soon, Fashion Magazines will be publishing their "Best Dressed of the Year" lists, which causes me to reflect in the context of the scriptural verse above. Apostle Paul writes about clothing ourselves with certain fashions specific for Christians but ideal for anyone, who chooses to follow his advice. He was not speaking literally of putting on a piece of clothing, but of that inward transformation that occurs by the work of the Holy Spirit, when one adopts these behaviors as one's own after accepting Jesus Christ as Savior.

I once read: "Notable Christians must be noticeably Christian." This is accomplished by the "clothing" worn on a daily basis by each of us. We need to make sure that our wardrobe includes compassion, humility, kindness, patience, self-control, forbearance, forgiveness, and love. As we adopt these behavioral patterns, we are sure to attire ourselves in ways that reflect our love and commitment to serve God and others in our community. With this perspective, we can face whatever comes into our lives with confidence and hope in the promise that God is with us all the way.

The question that deserves our time and our best efforts in this new year is not “what was the real Jesus like” but rather” who is the real Jesus” that is alive and at work in our lives today. “Follow me,” he says, as he said of old: “Come and see!” This much of the past I do know ~ the Jesus of Nazareth who lived in the first century did not live alone. He surrounded himself with men and women keen to understand and embody the love of God for all humankind. His promise to them and to us is, “*Where two or three are gathered together in my name, there will I be also*”, which is to say, we can only discover who he was and is as we live our lives together in faith. A new year begins. By God’s grace, the adventure continues as we cultivate these holy habits or behavioral patterns to share the love of God. Thank you for sharing it together by staying connected.

“*Let the word of Christ dwell in you richly*” (Colossians 3:16), as you explore new ways in this new year to serve our God of grace!

A New Year Wish

*May the New Year bring us:
Enough happiness to keep us sweet;
Enough trials to keep us strong;
Enough hope to keep us lively;
Enough sorrows to keep us dependent upon God;
Enough failure to keep us humble;
Enough success to keep us eager;
Enough friends to give us comfort;
Enough wealth to meet our needs;
Enough enthusiasm to keep us looking forward;
Enough faith to overcome despair;
And enough determination to use every day
And every situation, somehow for good.*

Living Water Acupuncture
A Health Ministry of The First Congregational Church of Wellfleet

Our free community acupuncture clinic has been taking place at the church every Tuesday afternoon since August 17th, when we reopened after a long hiatus due to the Covid-19 pandemic.

We are welcoming a wide range of people of all ages from the local community, with referrals from Outer Cape Health Services, Helping our Women, and substance use recovery programs, as well as self-referrals from interested community members.

Participants are seeking acupuncture for various conditions, including substance use disorder, anxiety, depression, insomnia, chronic pain, and simply for help with managing the stress of everyday life. We often have as many as 12 participants per clinic and have availability to treat many more.

The mission of Living Water Acupuncture is to promote health and wellness by empowering self-healing. The service is intended to complement and support existing treatment. Acupuncture can promote a sense of calm and well-being, including in individuals experiencing anxiety and depression. Acupuncture has been used to help reduce cravings associated with discontinuing opioids, tobacco, and alcohol. The approach used in our clinic involves gentle placement of up to 5 small sterilized disposable needles into specific sites on each ear. The person being treated sits quietly in a (physically distanced) group setting for 30 minutes. We do require that all attendees be fully vaccinated against Covid-19. There is no charge for the treatment, but we do accept free will donations to the church.

Please come and check out this creative ministry of our church! Any interested member of our church community is very welcome to come in to try acupuncture on a walk-in basis at any time. Christine Cook has graciously volunteered to serve as our Clinic Assistant whenever she is available. We will need volunteers to serve on days when Christine is not available. The Clinic Assistant role involves welcoming and checking in participants, requires no medical training, and helps everything go smoothly and calmly. It is a nice way to meet some of our neighbors and show them that we, as a church, care about them and want to be of service.

Winter schedule – in the gathering area Tuesdays 3:00-6:00 PM:

January 25

February 1

February 22

Subject: Exciting News! Stop & Shop
BLOOMIN'4GOOD PROGRAM
LET'S FIGHT HUNGER TOGETHER –
ONE BOUQUET AT A TIME!

Dear Members & Friends,

We are so excited to share that the First Congregational Church of Wellfleet has been selected to be a part of the Stop & Shop Bloomin' 4 Good Program, created to fight the hunger crisis across the communities we serve.

For the month of **February 2022**, each time a \$10.99 Bloomin' 4 Good Bouquet with a red circle sticker is purchased at the Stop & Shop located at **Cranberry Cove, Orleans, MA**, \$1 will be donated to **the First Congregational Church of Wellfleet**. This is a great way to raise awareness in the local community, fight hunger and raise donations for our organization.

Flowers can brighten a room, spread a smile or make someone's day. Supporters can buy two, three or more bouquets throughout the month. The more bouquets sold, the more donations raised and the more people in need we can feed!

Let's get started! We can begin by spreading the news to our friends and family. Call, send emails, and post on social media.
